Center Activities - Update as of May 18, 2012

THOUGHT FOR THE DAY

Do not be upset by calamities, instead take them as acts of Grace. If someone loses a hand in an accident, that person must believe that it was the Lord's Grace that saved his or her life. When you believe that nothing can happen without His resolve, you will realize that everything that occurs in your life has a value added to it. You may be neglecting a creeper in your backyard, but if a sage passes by and says that it is a rare drug that can cure one from snake bite, you will erect a fence around it and not allow children to pluck its leaves even for fun, is it not? Understand thoroughly that the Lord is the cause, the source of all. And with this knowledge, deal with everyone in a humble and reverent manner. This is the path that will lead you quickly to the goal.

- Sri Sathya Sai Baba
